Kartell + Laufen: emotion in lifestyle

Designers – Ludovica + Roberto Palomba

“AN ARCHITECTURAL PROJECT THAT SPEAKS A NEW LANGUAGE. INNOVATIVE, RICH IN EMOTION, TRANSPARENCY AND COLOUR. THE KARTELL BY LAUFEN BATHROOM IS THE SYNTHESIS OF THE WORK WE HAVE DONE IN RECENT YEARS IN THE WORLD OF THE BATHROOM AND REPRESENTS AN IMPORTANT STEP FORWARD IN THIS SECTOR.”

Ludovica+Roberto Palomba have a long time partnership with Laufen.

When the idea to create a new, collaborative collection with Kartell emerged, it was only natural that these two Multi award-winning designers would become art directors of the project.

Ludovica+Roberto are the most recognised bathroom designers of the moment and have earned the merit of having reinvented the concept of the bathroom.

Ludovica+Roberto Palomba were the creative “joint” between the two brands, able to understand and interpret each specific DNA, translating them into a unique and integrated concept in which both companies recognize themselves. A demanding task that could be achieved only by receptive and of caliber designers such they are.

„EIN ARCHITEKTONISCHES PROJEKT, DAS EINE NEUE SPRACHE SPRICHT. INNOVATIV, REICH AN EMOTIONEN, TRANSPARENZ UND FARBE. KARTELL BY LAUFEN IST DIE SYNTHESE DER ARBEIT, DIE WIR IN DEN LETZTEN JAHREN IN DER WELT DES BADEZIMMERS GELEISTET HABEN UND STELLT EINEN WICHTIGEN FORTSCHRITT IN DIESEM BEREICH DAR.“

Ludovica+Roberto Palomba stehen schon seit langer Zeit in enger Beziehung zu Laufen. Laufen ist der führende Schweizer Hersteller von Sanitäreinrichtungen und bekannt für Innovationen im Bereich hochwertiger Keramik. Als die Idee zur Zusammenarbeit von Laufen und Kartell, der renommierten italienischen Designmarke bekannt durch ikonische Plastik Entwürfe, entstand, lag es auf der Hand, dass L+R Palomba als mehrfach ausgezeichnete und erfahrene Designer – unter anderem im Bad, die künstlerische Leitung des Projektes übernehmen.

Sie sind die kreative Verbindung, die zur erfolgreichen Zusammenarbeit und Realisation des Gesamtkonzept für das Badezimmer verhalf. Geleitet durch den fein austarierten gestalterischen Ansatz übersetzten und vereinte das Designer-Paar die zwei DNAs der starken Marken Kartell und Laufen.

“UN PROGETTO ARCHITETTONICO CHE PARLA UN NUOVO LINGUAGGIO. INNOVATIVO, RICCO DI EMOZIONI, TRASPARENZA E COLORE. IL PROGETTO KARTELL BY LAUFEN È LA SINTESI DI TUTTO IL LAVORO SVOLTO NEGLI ULTIMI ANNI NEL MONDO DEL BAGNO E RAPPRESENTA UN ENORME PASSO IN AVANTI PER L'INTERO SETTORE.”

Ludovica e Roberto Palomba collaborano da lungo tempo con Laufen.

Quando nacque l'idea di creare una nuova collezione con Kartell è stato naturale pensare ai due pluripremiati designer come direttori creativi di questo progetto. Ludovica e Roberto Palomba sono oggi i designer più riconosciuti al mondo nella progettazione dell'ambiente bagno e spetta a loro il merito di avere re-inventato il concetto della stanza da bagno.

Rappresentano “il punto di contatto” creativo tra i due brand. Acuti nel comprendere ed interpretare i loro specifici DNA, traducendoli in un progetto unico ed integrato nel quale entrambe le aziende si riconoscono. Un compito impegnativo che poteva essere portato a termine solo da professionisti di calibro. Ludovica+Roberto Palomba sono stati l'anello di congiunzione creativo fra le due aziende.

« UN PROJET D'ARCHITECTURE, QUI S'EXPRIME EN UN LANGAGE NOUVEAU. INNOVANT, RICHE EN ÉMOTION, TRANSPARENCE ET COULEUR. KARTELL BY LAUFEN EST LA SYNTHÈSE DU TRAVAIL QUE NOUS AVONS FAIT EN CES DERNIÈRES ANNÉES DANS LE DOMAINE DE LA SALLE DE BAINS, ET REPRÉSENTE UN AVANCEMENT IMPORTANT DANS CE SECTEUR».

Ludovica et Roberto Palomba collaborent depuis longtemps avec Laufen.

Quand l'idée fût conçue de créer une nouvelle collection avec Kartell, les deux designers de renommée internationale ont été le choix naturel comme directeurs créatifs de ce projet.

Ludovica et Roberto Palomba sont à présent les deux designers les plus reconnus dans le domaine des projets destinés à la salle de bains, et ce sont eux qui ont réinventé le concept même de salle de bains. Ils représentent le « point de contact » créatif entre les deux marques, et sont capables d'en percevoir et interpréter leurs ADN spécifiques en les traduisant en un projet unique et complet, dans lequel les deux entreprises peuvent se reconnaître. Un vrai défi, qui ne pouvait être accepté que par deux grands professionnels comme eux.

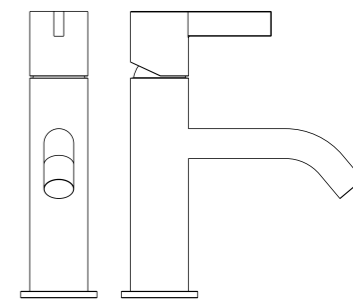

Just like a dialogue between opposite poles:
lightness and weight, play and rigour,
eclecticism and minimalism.

The illustrated colours only approximately correspond to the actual shades. The bathroom layouts shown here are purely decorative and do not reflect all the technical requirements. The decorative parts used are not included in our commercial offer.

Die Farbabbildungen entsprechen nur in etwa den tatsächlichen Farbtönen. Die hier gezeigten Badmilleus sind rein dekorativ und berücksichtigen nicht alle technischen Anforderungen. Unser Angebot beinhaltet nicht die verwendete Dekoration.

Les photos couleur ne correspondent que partiellement aux teintes effectives. Les ambiances reproduites ici sont simplement décoratives, les exigences techniques d'installation n'ont pas toujours été prises en compte. La décoration utilisée ne fait pas partie de notre offre commerciale.

I colori qui illustrati non corrispondono esattamente alle tonalità effettive. Gli ambienti qui riprodotti sono puramente decorativi e non tengono conto di tutte le specifiche tecniche. Gli articoli d'arredo usati non fanno parte della nostra offerta commerciale.

It is possible that not all products, sizes or colours are available in every country. The price list of your LAUFEN subsidiary is the most accurate reference point for product availability. Delivery periods may also differ.

Unter Umständen sind nicht alle Produkte, Größen oder Farben in jedem Land verfügbar. Bitte nutzen Sie die Preisliste der jeweiligen LAUFEN Niederlassung als Referenz für das verfügbare Produktsortiment. Auch die jeweiligen Lieferzeiten können von Land zu Land abweichen.

Il se peut que les produits ne soient pas tous disponibles dans chaque pays dans toutes les dimensions et coloris. La liste de prix de votre filiale LAUFEN est la référence la plus sûre en ce qui concerne la disponibilité des produits. Les délais de livraisons peuvent également varier d'un pays à l'autre.

È possibile che non tutti i prodotti, le misure e i colori siano ugualmente disponibili in ogni Paese. Si prega di utilizzare il listino prezzi della vostra filiale LAUFEN come riferimento per la gamma di prodotti disponibili. Anche i tempi di consegna possono variare da un Paese all'altro.
