**M15912** 12" Diamond Sharpener, polypropylene handle

## COMBINATION SHARPENING STONES

Keep cutlery performing at peak levels with our sharpening stone system. Each stone contains a different grit level on each side. The Starter Stone has coarser grit levels to repair damaged edges or for blunt knives. The Finishing Stone is made with finer grit levels for eliminating burrs on the knife blade edge. Each stone includes a silicone base holder.

- High-grade corundum construction for professional sharpening
- Two grit levels for finer blade sharpness
- Silicone base holder creates non-skid surface and prevents damage to work surface
- Packed in a color retail box

# Hand Slicers

These compact slicers provide safe and speedy slicing of fruits and vegetables in both directions at an economical price. Blades are constructed from cutlery steel for an incredibly sharp cutting edge.

- 1 Sharp double-edged blade slices food quickly in both directions
- 2 Transparent body allows you to see how much volume you have sliced
- 3 Rubberized handle provides secure and comfortable grip
- 4 Non-slip feet prevent movement while slicing
- 5 Integral hooks hold on to vessels, allowing direct slicing into containers
- 6 Protective hand guard for secure sliding action while keeping hands away from the blades. The spikes grip the food firmly and securely. Hand guard opens for use with vertical slice foods, such as carrots, cucumbers, and zucchini. Functions as a blade cover for safe storage when not in use
